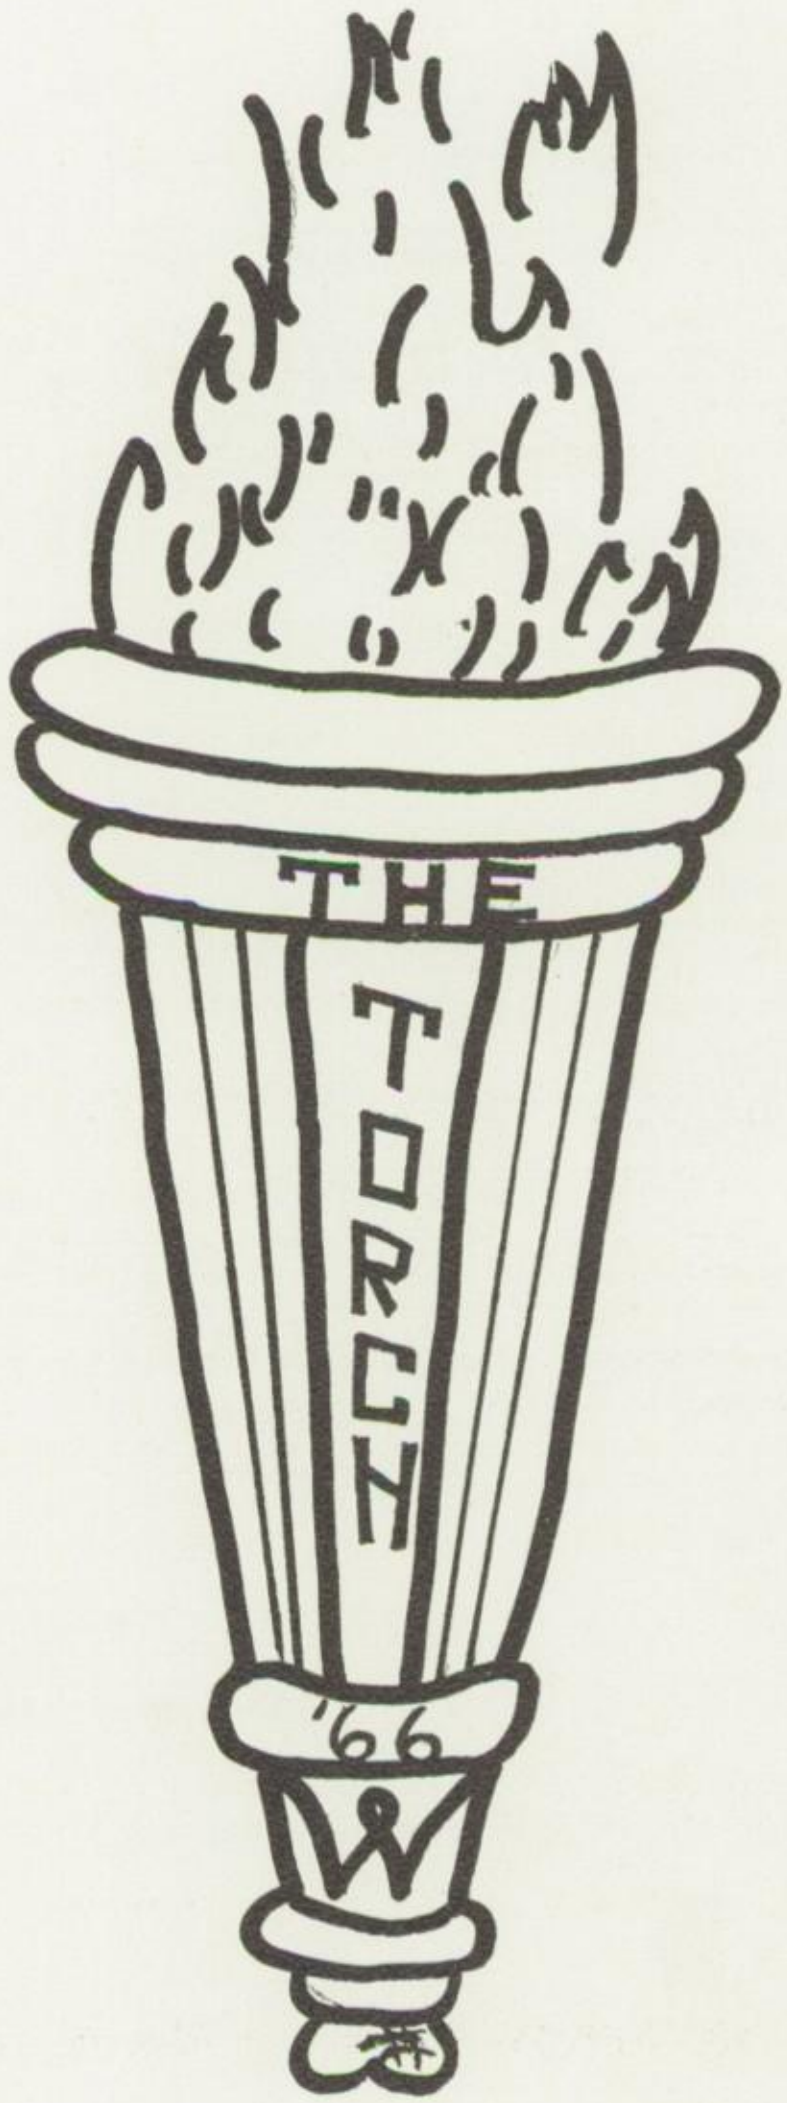
THE TORCH



Arcola High School
Arcola, Illinois

Dedication

We, the Senior Class of 1966, do hereby dedicate this TORCH to those people who have had an immeasurable and life-long effect on our lives. Those people are our parents.

To our parents we owe an unrepayable debt. It is a debt which is all to easily forgotten, but one which we truly owe to our parents for all the love, understanding, patience, and unselfish sacrifice which they have shown to us. It is a debt which, regardless of how hard we try, we will never be able to fully repay.

As individuals, we must each travel a separate path in life, yet the teachings and wisdom which our parents have instilled in us will always remain a part of our lives.

Therefore, it is with deepest respect and admiration that we acknowledge our parents by the dedication of our yearbook to them.

Sincerely,

Class of 1966

Senior Class

The year is 1976, and the class of 1966 is holding their class reunion at Cueball and Bore's Drag Strip. The strip is owned by William C. Foster and Daniel B. Mohr.

Well, by Georgeen! Connie Dunagan just "tripped" in and to "pick her up" are Barbara Smith and Marcia Hull. Following them is Dr. Mark Green. With him is Steve Shrader in his blood-red ambulance, which he drives to the finish line. We know it is Steve because of the slogan on the side of the ambulance that reads: "You kill 'em, we chill 'em."

Oh, and here comes bachelor Mike Bandy and the playboy Glenn Hutton. Marcia Dilliner and Suzanne Hunt are here together watching the races. They are still awaiting the "big day"; it seems that Ed is still shearing sheep and Mike is still fishing.

Lynn Albin was reported to have made an entry, but it was scratched when the officials discovered it was a tractor.

Dale "Windy" McElroy just bugged in his imaginery Rolls Royce with ten Platinum Bunnies, rabbits that is.

Looking over the spectators in the stands we see Donna Good, who advertises her famous Colgate smile. And we also see the young marrieds Barbara Jolley, Ruth Cummings, Cathy Dague, Janet Strader and Janice York. We don't seem to see their husbands, so they apparently must be home washing dishes.

A group that doesn't seem to be too impressed with the drags are the schoolteachers: Kathy Bank, Barbara Miller and Sandra Van Cleave.

The nurses here on duty today are Karen Conlin, Cheryl Holaday, Sharon Hudson, Cathy Cranmer, and Susan Rippey.

Why, What's This? It's Sue Sitz, Sue Spear and Barbara Bergfield advertising their new laundry on East Jefferson. Their motto is "stop 'em spot--put dime in slot."

Oh, as an added attraction there's going to be a pre-race parade. Organizing the group is AHS's principal, Mr. Thomas Vandeveer, Leading the parade is Kay-Kay Arthur, World Champion twirler. Following are the Girl Scouts, headed by Christine Clark and the Boy Scouts with their scoutmaster, Loren "Spider" Navel.

The race must be about to begin because Gene Alcorn, the official starter is checking over the track. In the pits we see Rick McCollum and Wilmer Otto, Chief mechanics, making a last minute check of the cars.

Looking over the entry sheet, we see the drivers are Terry "Super-God" Akers, Kenny "Pate" Byers, Jim Metz, and last but not least, Richard "Big Dick" Ellison. Kris "Crash" Johnson tried to enter her choo-choo train, but wrecked it before she got here.

The race was upset when Jeff Perkins swooped in from nowhere to win in his gritty, gray-green studebaker.

While we are consuming the delectable meal prepared by the Waldorf-Astoria's head chef, Rick Garrett, entertainment is furnished by Dave "Peppironi" Calhoun and Perrry "Wiggler" Weller's Combo, with their go-go girl, "Wild" Wanda Rhoades. Other entertainers include Las Vegas' Kenneth Newby and Mickey Howrey, famous nightclub comedians at the Thunderbird. Their favorite topic is "Hours Spent in a Certain Office After School."

Prophecy

After the banquet, Mike "Goldentoe" Blaase and Steve "Cabbage" Kalaskie, head football caoches at Siberia Tech, have cornered Terry Knaus, head football coach at Arcola High School, to get some pointers. Over in one corner, Nicki Wright, professional gambler, seems to be trying to get a game started. The women are all gathered around Lynda Watkins, a famous Hollywood beautician and designer, admiring her latest hair style. Janis Logan is also trying to urge everyone to come to her art studio for a free portrait.

As everyone gathers for a group picture, we notice a few were not able to attend. It seems Steve "Talkative" Bullard, chemist, could not leave his duties at Cape Bullard Space Center. In Russia, is Dorothy Miller, head of Grocery Store No. 69 in Moscow.

Kerry Tuttle, owner of the famous Angus Chicken Ranch in Alaska, had a little trouble which caused him to miss the reunion. It seems the birds are all "out on a ledge" and can't get in. Scotty Cline didn't have far to come, but was still unable to attend because of the vast number of customers at his Nighty-Night Nursery School.

It's been a great day. Yet we are all agreed that it couldn't compare with our post-prom picnics at Turkey Run. So, we've decided to hold our next class reunion May 8, 1987, at Turkey Run State Park. We don't want to wait too long to revive the old "spirits." In another ten years we may be so "rusty" we won't be able to come.

History of the Class of 1966

Sixty-nine freshmen, some eager, others frightened, entered the doors of Arcola High in the fall of 1962. In a few days, that seemed like weeks, we became accustomed to our new surroundings, and our new teachers. Our class officers that year were president, Wilmer Otto; vice president, Cheryl Holaday; treasurer, Connie Dunagun; and secretary, Barbara Miller. Homecoming that year was a great thrill to all of us, even though our float did not place. Representing our class in the court were Connie Dunagun and Rick Garrett. Our first year had been fun, but we had even more great times ahead of us as we progressed on to our sophomore year.

We started our second year with one less student, but ten times more experience. The class elected as its officers president, Cheryl Holaday; vice president, Tom Vandeveer; secretary, Kathy Bank; and treasurer, Wanda Rhoades. One of the biggest events that year for many of us was receiving our driver's license. Another thrill was having our float place third in the homecoming parade. Janet Strader and Mike Blaase were our attendants.

Our junior year. . . . we finally made the rank of upperclassmen! There were fewer of us that year, fifty-nine to be exact, but this did not slow us down. It was perhaps our busiest year. There was much to be done to raise money for the prom. Prom preparations were fun, but were also time consuming and tiring. During the year Tom Vandeveer served as president; Terry Akers, vice president; Marcia Dilliner, secretary; and Connie Dunagun, treasurer. Our float won second place in the homecoming parade. Kristine Johnson and Mickey Howrey served as junior attendants.

Finally, we became proud seniors! Our years at Arcola High have been rough, but most worthwhile. There are sixty-three of us now. Each and every one is in some way different than the student who started out in that fall in '62. During our last year, our officers were president, Mike Blaase; vice president, Connie Dunagun; secretary, Kristine Johnson; and treasurer, Wanda Rhoades. Our float finally won a first in the homecoming parade. Connie Dunagun and Richard McCollum were crowned as Homecoming Queen and King. At the Christmas Dance, Steve Shrader and Cheryl Holaday reigned as Mr. and Miss Mistletoe.

Many of us will now leave Arcola and move on to new places. Even though we will not be together, we will always remember the good times we shared as the Class of 1966 at Arcola High School.

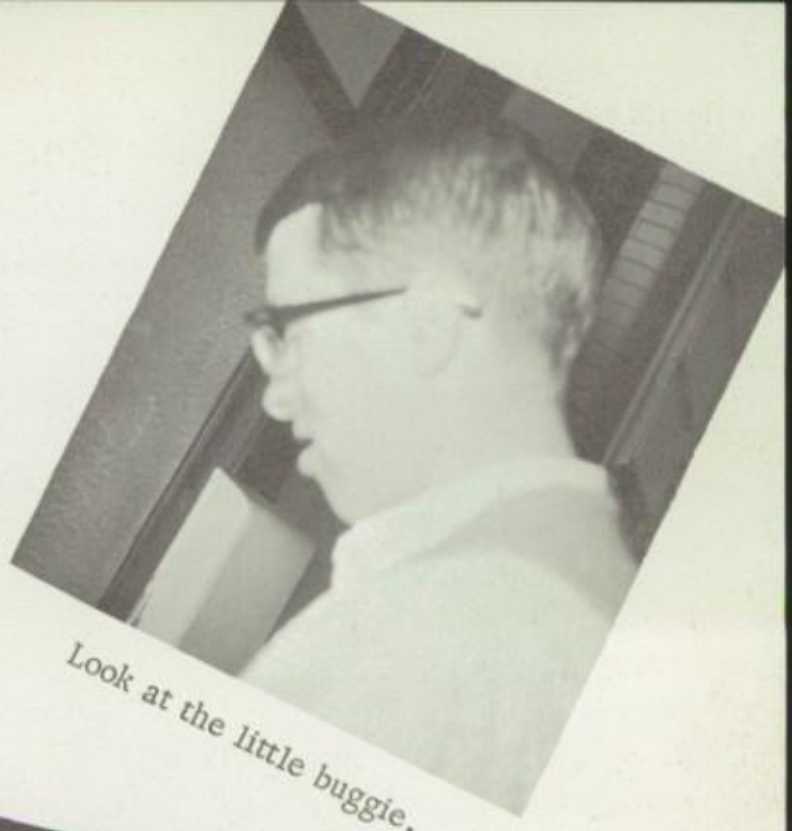
Mary Poppins can fly like this, why can't I?

I don't think I'm better, I know I am.

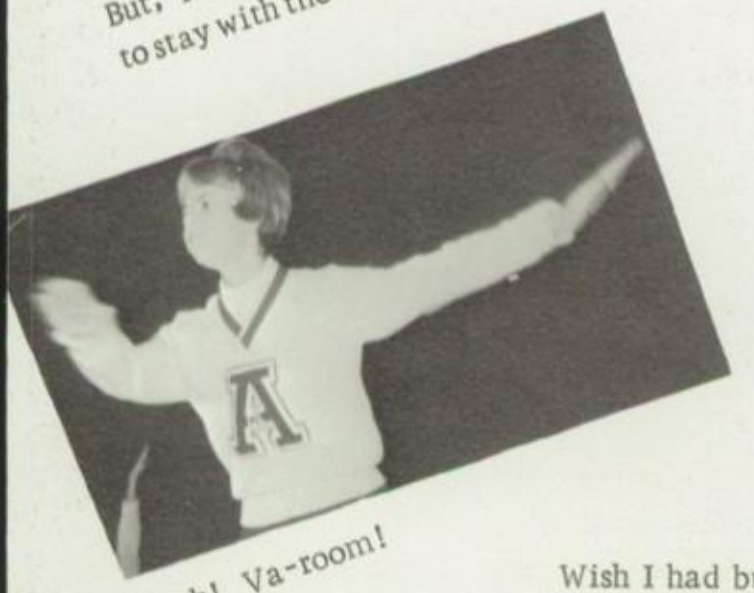


Look at the little buggie.

But, Mom, I don't want to stay with the babysitter.

Who are you with tonight, Wanda?

That liver & onions is unbelievable.

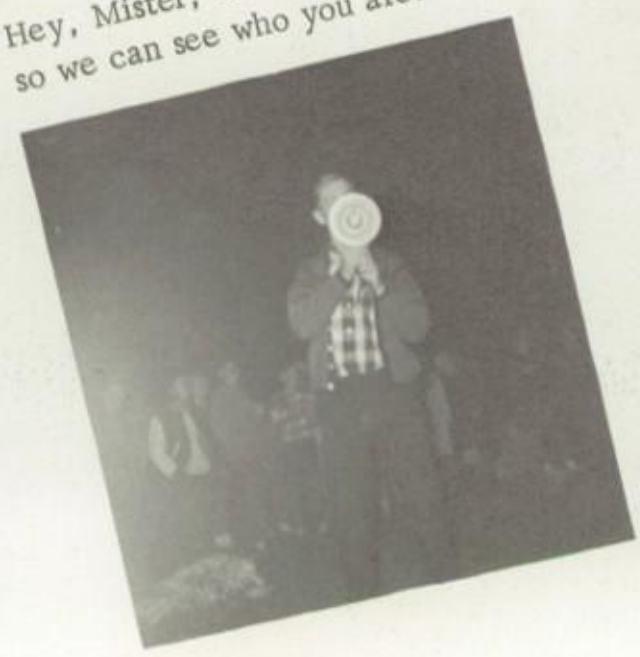


Swish! Va-room!

Wish I had built-in flashlights.

Yes, well-ah?

Go ahead and go with her. See if I care.



Hey, Mister, close your mouth so we can see who you are.

. . . and he had a knife this long!

The Future Homemakers of America is an organization of girls interested in home economics. We try to help individuals improve personal, family, and community living. In the summer, we have a picnic for all the freshman girls who might be interested in home economics. We become acquainted with them and explain the purposes and goals of our club. Each year we sell mums to be worn by students and parents during Homecoming activities. Shortly before Christmas we were hostesses for the Senior-Faculty Tea and provided all refreshments for this event.

Student Gov't.-- Basis for School Life

Student Council serves as the governing body of our school. We try to create a spirit of understanding and cooperation between the faculty and the student body, to establish better ideals of conduct, and to encourage student participation in school activities.

Throughout the school year, the Student Council is in charge of various activities such as the Homecoming parade, the Christmas program, and the selection of assembly programs. Council members are assigned various duties to make each activity a successful and memorable event for everyone.

This year we held a Student Exchange Day with Villa Grove. Ideas and suggestions were exchanged between students. This event proved to be helpful as well as interesting.

Each year two members are chosen to represent our school at the State Student Council Convention in Chicago. This year Kathy Bank and Tom Vandeveer were elected as our delegates.

SEATED: Sheila Bank, Lorna Wingler, Bill Coombe, Debbie Kalaskie, Steve Kalaskie, Kathy Bank, Tom Vandeveer. STANDING: Steve Edwards, Brian Bollman, Monte Ghere, Dick Biggs, Roger Miller, Dick Carson, Dennis Thompson, Bill Moody, Mike Blaase, Mr. Forsyth.

OFFICERS: Steve Kalaskie, Vice-president; Kathy Bank, Secretary-treasurer; Mr. Forsyth, Advisor; Tom Vandeveer, President.

With Band-Aides and Kind Words

The Future Nurses of America is a club for students interested in nursing. In our club, we try to explore the opportunities open to young people in the field of medicine. We held a formal initiation in November, and the new members received their pins. Each year, we plan a trip to a hospital. This year we went to the Veteran's Administration Hospital in Danville where we toured the hospital and learned the duties of hospital personnel.

for Our Feminine Population

The Girls Athletic Association is an organization in which high school girls have the opportunity to participate in athletic activities and to develop sportsmanship. Once each week we meet to take part in organized activities, such as bowling, speedball, basketball, and softball. We receive points for all activities which we attend throughout the year. In May, all GAA members and their mothers are guests at the annual Mother-Daughter Banquet. At this time, all girls who receive awards for their year's work and are recognized. Each year it is traditional for the GAA to sponsor the Homecoming Dance in the fall and the Christmas Formal.

Typified by These Varsity Athletes

Coach Thomas, Advisor; Mike Blaase, Secretary-Treasurer; Mark Green, Vice President; Bill Foster, President; Coach Sanders, Advisor.

The Letterman's Club is an organization of A.H.S. athletes, all of whom have earned a varsity letter. This year our club was one of the main elements in A.H.S. activities. After many football and basketball games, we sponsored "sock-hops" which provided entertainment for students from other area schools, as well as our own. Each year we take a trip to some professional athletic event. To raise money for our trip, we sold advertising for the programs which were used at the Okaw Valley Tournament and Sectional Tournament.

Learning Today -- Teaching Tomorrow

The Future Teachers of America is an organization composed of students who want to be teachers later in life. Our main goal is to try to learn from other teachers' experiences and our own whether we are suited for teaching. Some of the FTA members help teachers in the grade school. This is very beneficial because it helps us to see more of the things that accompany teaching. Besides our regular chapter meetings we meet with other FTA chapters of Douglas County once a year.

This year the twenty-four girls in Riderettes provided entertainment for football and basketball audiences. Each year these girls are selected by the Student Council on the basis of poise, appearance, and ability. These girls create their own marching routines and spend long hours of practice in order to provide enjoyable half-time entertainment.

The Junior Engineering Technical Society is a group of students who are interested in the theories in modern science. During the school year, informal talks are given and we work on individual science projects. In past years, we have visited U.S.I. and learned the different scientific processes which are carried on there. In our periodic meetings, we see films and explain our projects. Our main purpose in JETS is to extend interest in science beyond regular classroom activities.

The purpose of the National Honor Society is to create enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character in students.

Members must maintain at least a 4.4 scholastic average. During the second semester of school, eligible sophomores are recognized as honorary members. At the end of the second semester, they become active members at a formal pinning ceremony before the student body and faculty.

The names of those students who have earned a 5.00 average during their four years of high school are inscribed on the National Honor Society plaque which is displayed in the auditorium.

OFFICERS--SEATED: Corky Strader, Secretary; Wilmer Otto, Vice-President; Terry Akers, Treasurer; Ken Newby, Sentinel; Dennis Thompson, Reporter. STANDING: Lynn Albin, President; Suzanne Hunt, Chapter Sweetheart; Mr. Roberts, Advisor.

The Future Farmers of America is an organization of rural youth whose primary aim is the development of agriculture. This year our chapter had a corn test-plot south of Arcola. We planted, fertilized, and cultivated the plot in our spare time during the summer. When the corn was harvested, it yielded a 155 bushel per acre average. We are also active in our districts' agricultural competition. During the past year, fourteen of our members have placed their projects in competition with other chapters. In this competition we have compiled thirty-one "A" ratings, eighteen "B" ratings and two "C" ratings. This is a record of which we in FFA are very proud.

This Group Got a "Charge" Out

The Library Club is an in-service training organization which provides students with extensive knowledge of library procedure, and experience in methods of serving the student body with the resources of the library. As active members, we work in the library two periods each week learning such routines as filing cards, ordering and processing books, and binding books and magazines. This year the high school and grade school libraries received more than a thousand new books, all of which had to be numbered, filed, and put on the shelves. We in the library club, with the assistance of Mrs. Rea, completed this time-consuming task. Each year we take a field trip. This year we visited the library at the University of Illinois.

Ambitious Musicians Worked Hard, But

OFFICERS: Marcia Hull, Secretary; Cheryl Holaday, President; Perry Weller, Vice-President; Bonnie Thompson, Treasurer.

The Modern Music Masters is a national music honor society. Our goal is to encourage and develop a true appreciation for music. A formal initiation was held in February to welcome the sophomore probationary members, who will become active members when they are juniors. In November, we went to the Assembly Hall at Champaign to hear a Peter Nero Concert. The state band contest for solos and ensembles was held at Arcola this year, and Tri-M members served as hosts.

A Midsummer Night's Scream

Take a haunted theater, a group of peppy teen-agers determined to put on a play for a worthy cause (even if it kills them). and you have the basic ingredients of this unusual, but exciting play.

Barbara Dowson (Janet Strader) is the director and prime "motivator" of a a group of young people trying to raise money for a Youth Center to combat "juvenile deficiency", as Myrtle (Wanda Rhoades) calls it. Also siding Barbara are Nancy (Connie Dunagan), the wise-cracker; Rosalie (Cheryl Holaday), who was born with a dessert spoon in her mouth; Marye Anne (Kristine Johnson), the local prima donna; Joe Pepperoni (David Calhoun), a transplanted tree from Brooklyn; Jim (Steve Shrader) and Hildy (Marcia Dilliner), opponents of the dull moment; and Sven (Lynn Albin) and Squid (Perry Weller), Barbara's more-or-less "steadies."

When a sudden rain storm breaks up the first rehersal of a "Midsummer Night's Dream," their choice of a play, the young people take refuge in a long-deserted theater on the estate of Norman Courtenay (Kerry Tuttle), the town's eccentric millionaire. The old theater contains a ghost, however, which plagues rehearsals, and nearly keep the show from going on. But the best-laid plans of ghosts are often useless, especially when such determined ladies as Barbara enter the picture. Bucking Mr. Courtenay's refusal to permit use of his theater is a different matter, though. However, after Joe offers Courtenay a "cut" of the proceeds, they finally gain permission to use the theater.

After unmasking the villian, who turns out to be Edwin Drew (Tom Vandeveer), a refugee from behind the Iron Curtain who lives under the stage with his daughter, Tanya (Janis Logan), the group presents a hilarious performance of the "Pyramus and Thisby" portion of Shakespear's comedy, "A Midsummer Night's Dream."

As the curtain falls, Courtenay is transformed from a cash register into a human being and donates his estate for the youth center.

The Senior and Junior Arco-Lite staffs keep AHS up to date on school events all year long. The Seniors are in charge of publishing the school paper during the first semester. Then, during the second semester, the Juniors have a chance to show their talents. Staff members are accepted strictly on a voluntary basis, but their work shows genuine interest and talent. The school paper is a valuable contribution to school life, and these students are to be commended for their efforts.

Was Their Permanent Motto

EXECUTIVE STAFF: Barbara Miller, Assistant-editor; Mrs. Henderson, Advisor; Kerry Tuttle, Editor; Cheryl Holaday, Business-manager.

We, in the 1966 TORCH Staff, have tried to present to the student body and the general public a book which will introduce the faces, and explain the student life at AHS. We hope this book will help the graduating seniors recall all of the good times they had during the last short year of their high school life, and produce an incentive for the underclassmen to produce better work in the future. This year, we have tried to present to you something new and different; something more than just an ordinary yearbook. We hope you will enjoy the TORCH as much as we have enjoyed planning and producing it for you.

Sincerely,

1966 TORCH Staff
